Collin Pounds

Assignment 3
Requirements Analysis

Users

1. Computer Science Dept. Students
2. Computer Science Dept. Teacher's Assistants
3. Computer Science Dept. Faculty

Activities to Perform

- Computer Science Dept. Students
  - Submit programming work
    - internet accessible
    - Student name and number
    - Time assignment submitted
    - File retriever
    - Intuitive UI

- Computer Science Dept. TA's
  - Collect assignments
    - Student name and number
    - TA name/number
    - Time submitted
    - Server database for assignment storage
    - Intuitive UI
- Computer Science Dept. Faculty
  - Course management capability
    - Server database
    - Intuitive UI
  - Section management capability
    - Server database
    - Intuitive UI
  - TA management capability
    - TA name/number
    - Intuitive UI
  - Assignment management capability
    - Grade
    - Student Name/Number
    - Time submitted

System Constraints

Internet Accessible, Database Server, Computer or device capable of opening browser
